

I know you are aware of this issue, so please respond as soon as possible.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

If Sinclair chooses to air this type of smear-tactic film preceeding the election, then, you should use your authority to compel them to offer equal time, as it were, to the Kerry promoters. Show "Hijacking Catastrophe" to their viewers. (If you have not seen it, you should. It is a frightening film!)

I trust you can and will do the right thing, regarding this blatant violation by the Sinclair Group.

Thank You for your support,
Fred Emerson
